For Immediate Release:

Beverly Hills, CA: Los Angeles Skin Care introduces Be™ Skin Care and Jane Iredale Mineral Make-Up at www.laskincare.com.

Under the daily direction of famed plastic surgeon and holistic research scientist Dr. Andrew Berman and International Beauty Consultant, Michael Howard, www.laskincare.com has been serving the needs of people around the globe for more than 3-years and currently hosts more than 500,000 visitors per month.

Howard states, "We carry only those products that we determine to be the best. We look beyond expensive packaging and exaggerated marketing campaigns. We look for results and value that will satisfy the needs of our clients. Both Jane Iredale and Be meet our stringent requirements and are developed in a scientifically advanced and more natural manner than other comparable lines."

Jane Iredale, "the skin care make-up," is the number one mineral make-up worldwide. Approaching 10-years of global success, Jane Iredale and Los Angeles Skin Care have joined forces to offer this pharmaceutical grade mineral make-up to clients of www.laskincare.com, Los Angeles Skin Care and the Beverly Hills Center for Cosmetic Surgery. Jane Iredale mineral cosmetics provide benefits beyond everyday make-up ranging from broadband sun protection to hydration retention. Experience the benefits today at www.laskincare.com.

Be skincare was created with the philosophy of "beauty being a journey." Be Skin Care combines the power of nature with the best of science to provide softer, more beautiful skin. This skin care line utilizes the trademarked nanomins technology to deliver highly effective and naturally active herbs and minerals to the skin.

Visit www.laskincare.com and purchase knowing that you have bought outstanding products at some of the best prices in the market.
