Beverly Hills, CA: Los Angeles Skin Care Aesthetician To The Stars To Be Featured on Lifetime Television.

Principles Andrew G. Berman, MD and Michael S. Howard have announced that their lead aesthetician, Gabriela Meise, will be featured on "Speaking of Women's Health" Saturday, December 28, 2002.

"Gabriela is amazing and very involved with Women's Issues. I cannot think of a better person to head this special segment," stated Dr. Berman.

The segment will focus on health issues associated with make-up and the potential harm old, bacteria laden products can do to the skin. Miss Meise was approached by a client to serve as an expert on the Linda Dano show due to her ability to offer outstanding advice in an everyday manner.

"Many aestheticians are either uneducated and try to sound too technical, others are well educated, yet have no idea how to communicate good information to their clients. I simply speak from my heart. Whether my client is an A-List Star or a production assistant, I offer the truth in a straight forward manner!" Gabriela Meise has been educated and worked throughout the country and is happy to have found a home in Beverly Hills at Los Angeles Skin Care, where she can meet the needs of a variety of different clients due to her national experience.

Los Angeles Skin Care, www.laskincare.com and Berman Cosmeceuticals are cooperative operations of Dr. Andrew Berman, famed plastic surgeon and Michael S. Howard, International Beauty Consultant. Also on staff are Gabriela Meise, Hollywood Skin Care Expert & Leisa Kosanke, Executive Sales Director and Operations Manager for the Spokane office. Recent press includes CNN, NBC, Lifetime, Dusseldorf, Vogue and Skin Inc.
